

GUIDELINES FOR IN-PERSON WORSHIP

Beginning Sunday, April 11, 2021, we will have small (50 or less) worship services in the Sanctuary on Sunday mornings.

Please be aware of the guidelines to keep every safe & healthy

We will continue to post all worship services to Facebook & YouTube, Thursdays & Sundays, and our children's message on Wednesdays.

Following the CDC/NYS and Conference Guidelines, if you feel sick, please stay home. If you have come into contact with anyone who has tested positive for Covid-19 over the previous 14 days, please stay home. If you are ages 65+ and/or have any underlying conditions, or live with anyone that falls into these categories, we ask that you strongly consider staying home.

"There are several precautions that ALL people attending need to follow in order for worship to take place:

- Limit of 50 people in the Sanctuary (we do have some overflow space in Wesley Hall) - Masks must be worn at all times by everyone 2 years old and up (except for worship leadership)
- Once you arrive, everyone MUST check in with an usher for instructions and attendance purposes (contact tracing)
 - Social Distancing (minimum 6') is required at all times
 - All children must stay with their parents/adults at all times
 - There will be no Sunday School or Children's time at this service
 - Offering Stations will be available (no passing of offering plates)
 - No congregational singing
 - No Passing of the Peace
 - No fellowship hour or social gathering time at any time

These guidelines MUST be strictly followed by everyone. Worship will be dismissed if even one person refuses to comply with our guidelines. Please remember these precautions are for the safety of everyone present and those you may contact following the worship service.

Even with all of these differences in our service, we still envision a wonderful time of worship and celebration. For anyone not able to attend, we will be recording and posting to our online platforms later on Sunday morning/early afternoon.
