

## Keep on Keepin' On

In the beginning long long ago

Darkness reined over the deep deep sea

Then God made light, earth, land and sky

Living creatures, woman and man, hand in hand

Chorus

Keep on keepin' on with my Lord

Keep on keepin' on with my Lord

Faithful to the One, Turn toward the Son

Verse

Heaven on earth, paradise found

A fall from grace, free will leads, leads us astray

Many Kings will rise Kings but they all shall fall

Solomon could not be saved, sin overcame

Chorus

Verse

Scripture fulfilled Christ has died

These three remain Faith Hope and Love, the greatest Love

Let the Holy Spirit fill body mind and soul

Eager to serve in God's name with thanks and praise

Bridge:

Let the spirit move, Let the spirit move you

Let the spirit move, Let the spirit move you...

Chorus

Keep on Keepin' on with my Lord

Keep on Keepin' on with my Lord

Following the One, Turning to the Son...

My Lord!
