

# SANTAPORT IS COMING!!!

Saturday, November 17!

## MEN'S WORLD

Fall is here. It's the perfect time to cleanout that the clutter in your attic, garage and basement. Why? You can bring most of that stuff to Men's World at our Santaport Fair.

If it's got a plug, takes batteries, emits sounds or light, is a tool of any kind, we'll take it. We take sports equipment, small appliances, computers, TVs, printers, blenders, light fixtures, etc. If you're not sure if we'll take it, bring it; we'll take it.

Put your clutter to good use - get it to Men's World the evening of November 15 (Thursday) or anytime November 16 (Friday) - Ladies are welcome !

## JEWELRY WANTED

Ann Palazzolo is looking for any & all jewelry in any & all condition for Santaport. While she is in rehab, she would like to work on these treasures, so you can leave your donations in the church office and we'll get them to her and her helpers.
