

## IN-PERSON WORSHIP GUIDELINES as of 8-4-21

### INDOOR WORSHIP

Masks required & Limitation on seating  
with continued social distancing

*We do have some overflow space in Wesley Hall.*

### OUTDOOR WORSHIP

On the back lawn

Please bring a chair

**Per the Bishop's directive,  
MASKS ARE NOW REQUIRED AT INDOOR SERVICES FOR EVERYONE**

**Social distancing and contact tracing protocols are still in place.** If you feel sick, please stay home. If you have come into contact with anyone who has tested positive for Covid-19 over the previous 14 days, please stay home.

There are several precautions that ALL people attending need to follow

- Masks are required for everyone attending indoor worship.
- Once you arrive, everyone **MUST** check in with an usher for instructions and attendance purposes (contact tracing)
- Social Distancing (minimum 6') is required at all times (*those living in the same household may sit together, but need to be at least 6 feet from everyone else*).
- All children must stay with their parents/adults at all times
- There will be no Sunday School or Children's time
- Offering Stations will be available (no passing of offering plates)
- No Passing of the Peace
- No fellowship hour or social gathering time at any time

These guidelines **MUST** be strictly followed by everyone. We will not be able to continue leading Worship if even one person refuses to comply with these guidelines. Please remember these precautions are for the safety of everyone present and those you may contact following the worship service.

Even with all of these differences in our service, worship is still deep, engaging, and powerful - a wonderful time of celebration. For anyone not able to attend, we will be recording and posting to our online platforms later on Sunday morning/early afternoon.
